Ljubljana

Dear Professor Rečnik,

It is my pleasure to inform you that the Academic Senate of the University of Pannonia confirmed you as an Honourable receiver of the Pannonia Award.

This Award has been created to honour outstanding personalities with the highest scientific worldwide recognition who substantially contributed and promoted the joint scientific achievements and the collaboration with the University of Pannonia.

The Award will be granted at the Degree Awarding Ceremony of the Faculty of Engineering, on July 7, 2022, at 11 a.m. in The Hall of Building B (Central Building), University of Pannonia, 10 Egyetem street, Veszprém H-8200, Hungary.

It is my honor to invite you to the ceremony and the following reception.

Please note that we provide registered seat for you at the event, therefore we would appreciate your confirmation about your attendance to the colleagues of the Faculty of Engineering on mkdekani@mk.uni-pannon.hu e-mail address until June 24, 2022.

I am looking forward to welcoming you at the ceremony.

Yours sincerely,

Prof. András Gelencsér
